The Eighth Amendment to Plan provides for (1) the addition of legal descriptions for Redevelopment Project Area A3 and Redevelopment Project Area J2; (2) certain modifications to the Site Maps; and (3) the inclusion of all conforming changes within the Exhibits to the Plan that are in furtherance of the foregoing modifications.

II. Specific Amendments

The Plan shall be amended as follows:

Amendment No. 1: Section I. of the Plan, entitled “Summary,” shall be deleted in its entirety and replaced with the following:

I. SUMMARY

The Arlington Road Tax Increment Financing Plan (the “Plan” or “Redevelopment Plan”) contemplates the construction of certain road and infrastructure improvements in an area generally bounded by Claycomo city limits on the north and on the east, Parvin Road on the south, and Worlds of Fun Avenue on the west in Kansas City, Clay County, Missouri.

It is anticipated that the road and infrastructure improvements will encourage construction of above- and below-ground development. The above-ground development area is approximately 344 acres, which currently includes four (4) Redevelopment Project Areas and, by virtue of subsequent amendments to the Plan and separate Ordinances passed by the City Council, may include an additional fourteen (14) separate Redevelopment Project Areas for anticipated development that will include construction of industrial uses, data centers and related improvements. The below-ground development area is approximately 375 acres, which includes ten (10) Redevelopment Project Areas and, by virtue of subsequent amendments to the Plan and separate Ordinances passed by the City Council, may

include an additional 20 separate Redevelopment Project Areas for anticipated development that will include construction of industrial uses and data centers.

The estimated Redevelopment Project Costs to implement the road and public infrastructure improvements contemplated by the Plan are approximately \$66,599,956, together with financing costs related thereto in the approximate amount of \$27,347,908 for an aggregate approximate amount of \$93,947,864, all of which is to be reimbursed from TIF Revenue (as hereafter defined) and contributions from the City of Kansas City, Missouri (the "City"). The Reimbursable Project Costs are identified on **Exhibit 4A**, attached to this Plan.

The total initial equalized assessed valuation of the Redevelopment Area according to 2014 records at the Clay County Assessor's Office is approximately \$17,611 for the above-ground portion of the Redevelopment Area and \$315,140 for the below-ground portion of the Redevelopment Area. The 2013 combined ad valorem property tax levy is \$8.6323 per \$100 assessed valuation. The 2013 annual ad valorem tax revenue from the Redevelopment Area was approximately \$1,520 for the above-ground portion of the Redevelopment Area and \$32,214 for the below-ground portion of the Redevelopment Area. Following the completion of all Public Infrastructure Improvements (as hereafter defined), it is estimated that the assessed value of the property located within the above-ground portion of the Redevelopment Area will increase to approximately \$51,607,570 and the assessed value of the property located within the below-ground portion of the Redevelopment Area will increase to approximately \$9,544,757.

Pursuant to the Act, tax increment financing allows for the use of Economic Activity Taxes and Payment in Lieu of Taxes generated and collected within the Redevelopment Project Areas for a twenty-three (23) year period to pay Reimbursable Project Costs. The estimated total Payments In Lieu of Taxes generated within the fourteen (14) Redevelopment Project Areas legally described on **Exhibit 1B** and which will be available to pay Reimbursable Project Costs is approximately \$20,792,421 and the estimated total Payments in Lieu of Taxes that may be generated if the potential thirty-four (34) Redevelopment Project Areas depicted by the Site Map on **Exhibit 2** are presented to and approved by separate ordinance is \$59,196,888. The estimated total Economic Activity Taxes generated within the twelve (12) Redevelopment Project Areas legally described on **Exhibit 1B** and which will be available to pay Reimbursable Project Costs is approximately \$4,304,755 and the estimated total Economic Activity Taxes that may be generated if the potential thirty-five (35) Redevelopment Project Areas depicted on the Site Map on **Exhibit 2B** are presented to and approved by separate ordinance is \$12,082,792.

Upon the reimbursement of all Reimbursable Project Costs, Tax Increment Financing will be terminated and the Taxing Districts (as hereafter defined), subject to Section 99.850 RSMo., shall receive all taxes generated within the Redevelopment Area.

Amendment No. 2: Section IV.C. of the Plan, entitled “Payments in Lieu of Taxes”, shall be deleted in its entirety and replaced with the following:

- C. Payments in Lieu of Taxes. One hundred percent (100%) of the projected Payments In Lieu of Taxes to be deposited in each Special Allocation Fund established in connection with the Redevelopment Project Areas referenced herein and legal described on Exhibit 1B, during the time Tax Increment Financing remains in effect, is estimated to be \$20,792,421, as shown in Exhibit 5, attached hereto, all of which will be made available to pay eligible Reimbursable Project Costs, in accordance with the Redevelopment Agreement. If, and to the extent the potential Redevelopment Project Areas depicted on Exhibit 2B are presented for approval by separate ordinance by the City Council, one hundred percent (100%) of the projected Payments in Lieu of Taxes to be deposited in each Special Allocation Fund related thereto and that are estimated to be \$59,196,888, as shown on Exhibit 5, attached hereto, will be made available to reimburse eligible Reimbursable Project Costs, in accordance with the Redevelopment Agreement. Any Payments in Lieu of Taxes that exceed the amount necessary for such reimbursement, subject to Section 99.850 RSMo., shall be declared surplus and shall be available for distribution to the Taxing Districts in the manner provided by the Act.

Amendment No. 3: Section IV.D. of the Plan, entitled “Economic Activity Taxes”, shall be deleted in its entirety and replaced with the following:

- D. Economic Activity Taxes. The projected Economic Activity Taxes to be deposited in each Special Allocation Fund established in connection with the Redevelopment Project Areas legally described on Exhibit 1B, during the time Tax Increment Financing remains in effect, is \$4,304,755, as shown in Exhibit 5, attached hereto, all of which will be made available, upon annual appropriation by the City, to pay eligible Reimbursable Project Costs, in accordance with the Redevelopment Agreement. If and to the extent the potential Redevelopment Project Areas depicted on Exhibit 2B are presented to and approved by separate ordinance by City Council, all of the projected Economic Activity Taxes to be deposited into each Special Allocation Fund related thereto that are estimated to be \$12,082,792, as shown on Exhibit 5, attached hereto, will be made available to reimburse eligible Reimbursable Project Costs, in accordance with the Redevelopment Agreement.

Amendment No. 4: Exhibit 1.B., entitled “Legal Descriptions – Redevelopment Project Areas” shall be deleted and replaced with Exhibit 1B to this Eighth Amendment.

Amendment No. 5: Exhibit 2.B., entitled “Maps Redevelopment Project Areas” shall be deleted and replaced with Exhibit 2B to this Eighth Amendment.

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the recommendations of the Commission concerning the Seventh Amendment to the Plan (the "Eighth Amendment") to the Arlington Road Tax Increment Financing Plan are hereby accepted, a copy of which is attached hereto, is hereby approved and adopted as valid.

Section 2. That all terms used in this ordinance, not otherwise defined herein, shall be construed as defined in the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, RSMo ("Act").

Section 3. That the City Council hereby finds that good cause has been shown for the Eighth Amendment of the Plan and that the findings of the Council in Ordinance Nos. 140916, No. 150758, No. 160241, No. 170865, No. 180280, No. 190996, Ordinance No. 210981 and Ordinance No. 220090, except as expressly modified by the Eighth Amendment, are not affected by the Eighth Amendment and apply equally to the Eighth Amendment.

Section 4. That the Eighth Amendment does not alter the previous findings of the City Council as follows:

- a. The Redevelopment Area as a whole is an economic development area, as defined in Section 99.805 of the Act, has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan. The lack of sufficient street improvements, interchanges, and other infrastructure has inhibited the development of the Redevelopment Area.
- b. The Plan, as amended by the Eighth Amendment, conforms to the comprehensive plan for the development of the City as a whole.
- c. The areas selected for Redevelopment Projects include only those parcels of real property and improvements thereon which will be directly and substantially benefited by the Redevelopment Project Improvements.
- d. The estimated dates of completion of the Redevelopment Projects and retirement of obligations incurred to finance Redevelopment Project Costs have been stated in the Plan, as amended by the Eighth Amendment, and are not more than 23 years

221033

from the passage of any ordinance approving a Redevelopment Project within the Redevelopment Area.

- e. The Plan, as amended by the Eighth Amendment, includes a plan for relocation assistance for businesses and residences.
- f. A cost-benefit analysis showing the impact of the Plan, as amended by the Eighth Amendment, on each taxing district which is at least partially within the boundaries of the Redevelopment Area has been prepared in accordance with the Act.
- g. The Plan, as amended by the Eighth Amendment, does not include the initial development or redevelopment of any gambling establishment.
- h. A study has been completed and the findings of such study satisfy the requirements provided under Section 99.810, RSMo.

Section 5. That the Commission is authorized to issue obligations in one or more series of bonds secured by the Arlington Road Tax Financing Plan Account of the Special Allocation Fund to finance Redevelopment Project Costs identified by the Plan, as amended by the Eighth Amendment, and, subject to any constitutional limitations, to acquire by purchase, donation, lease or eminent domain, own, convey, lease, mortgage, or dispose of land or other property, real or personal, or rights or interests therein, and grant or acquire licenses, easements and options with respect thereto, all in the manner and at such price the Commission determines, to enter into such contracts and take all such further actions as are reasonably necessary to achieve the objectives of the Plan, as amended by the Eighth Amendment. Any obligations issued to finance Redevelopment Project Costs shall contain a recital that they are issued pursuant to Sections 99.800 to 99.865 of the Act, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 6. That the City Council approves the pledge of all funds that are deposited into the Arlington Road Tax Increment Financing Plan Account of the Special Allocation Fund to the payment of Redevelopment Project Costs identified by the Plan, as amended by the Eighth Amendment, and authorizes the Commission to pledge such funds on its behalf.
