field in the northern portion of Hodge Park, certain public infrastructure improvements necessary and incidental in connection with the construction of a fire station within the Redevelopment Area and the construction of trails within and adjacent to the Redevelopment Area.

Amendment No. 2: Delete Section I.D., entitled “Redevelopment Plan Objectives”, and insert the following in lieu thereof:

“D. Redevelopment Plan Objectives. The general objectives of the Redevelopment Plan are:

1. To eliminate conditions which cause the Redevelopment Area to be designated as an Economic Development Area and to encourage the provision of basic infrastructure.
2. To preserve and enhance the tax base of the City and the other Taxing Districts by developing the Redevelopment Area to its highest and best use, encouraging private investment in the surrounding area, increasing employment opportunities and to discourage residents, commerce, industry and manufacturing from moving to another state.
3. To increase employment and housing opportunities in the City.
4. To stimulate development which would not occur without Tax Increment Financing assistance.
5. To promote the design and construction of public infrastructure that is essential to the preparation of the Redevelopment, as more specifically set forth on Exhibit 3, attached hereto.
6. To provide for the design and/or construction of the following:

EXHIBIT 3

Specific Objectives of Redevelopment Plan

1. To cure the conditions which cause the Redevelopment Area to qualify as an Economic Area under the Act by constructing street improvements necessary to provide access to Redevelopment Area.
2. To enhance the tax base and economy by inducing development of the Redevelopment Area to its highest and best use, and to encourage private investment in surrounding areas.
3. To promote the health, safety, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development.
4. To provide development/business opportunities in the areas selected for redevelopment projects and the surrounding areas.
5. To stimulate construction employment opportunities and increased demand for secondary and support services for the surrounding commercial area.
6. To stimulate residential development and commercial use consistent with that shown in the Shoal Creek Valley Area Plan.
7. To provide for the design and/or construction of the following:

Up to 3% of the annual LDCs deposited in the Special Allocation Fund may be retained by the TIF Commission to cover incidental expenses incurred by the TIF Commission. This amount will be figured and allocated prior to allocation of any other reimbursable costs.

Costs of street improvements include the costs of medians, streetlighting, engineering, sidewalks, curbs and gutters, and enhancements. It is anticipated that right-of-way costs will be minimal.

Combining G.6 (Brighton) and M.1 (PV/Brighton intersection) could cost \$10.5M vs \$11.7M separately
